FLYING DOG EASY IPA 4.7%

Aromas of grapefruit & subtle spice meld into lemon & pine hop notes balanced with crisp cracker malt.

FLYING DOG SNAKE DOG 7.1%

More cunning than a snake in the bush...Snake Dog India Pale Ale is a Colorado-style IPA, power hopped with specialty hops from the Pacific Northwest. This is the brewery's hop monster, & the citrus fruit aroma will hypnotize the senses of the most hardcore of craft drinkers. 15 Plato, 60 IBU, Crystal Malt, Warrior & Columbus hops, & dry hopped with Columbus.

ELECTRIC BEAR NZ PALE 4.5%

A proper neck-able session pale using tropical New Zealand hops. Lemon, lime, passionfruit & pine can be found throughout this beer. Oats & wheat add balance allowing this beer to finish crisp & clean.

ELECTRIC BEAR ABOVE CLOUDS 6.0%

Chinook, Citra & Summit hops have been jam packed in to this brew for a face slapping aroma & distinctively bold flavour with balanced bitterness complemented with a malty backbone.

GOOSE ISLAND IPA 5.9%

Our India Pale Ale recalls a time when ales shipped from England to India were highly hopped to preserve their distinct taste during the long journey. The result is a hop lover's dream with a fruity aroma, set off by a dry malt middle, and long hop finish.

BROOKLYN LAGER 5.2%

Brooklyn Lager is amber gold in color & displays a firm malt centre supported by a refreshing bitterness and floral hop aroma. Caramel malts show in the finish. The aromatic qualities of the beer are enhanced by dry-hopping, the centuries-old practice of steeping the beer with fresh hops as it undergoes a long, cold maturation. The result is a wonderfully flavourful beer, smooth, refreshing & very versatile with food. Dry-hopping is largely a British technique, which we've used in a Viennese-style beer to create an American original.

BROOKLYN EAST IPA 6.9%

East IPA is a clean, drinkable IPA that's packed with flavor & offers a bold balance, not a smack in the head. American hops soar in the bright piney aroma, while East Kent Goldings hops bring the taste of stone fruits & firm bitterness from IPA's ancestral British home. Give our East IPA a try with some rich crab cakes or salmon, strike up a conversation with farmhouse cheddars, & find harmony alongside spicy dishes. East IPA's blend of tradition & exuberance sets the standard for hop-driven deliciousness.

YELLOWBELLY CITRA PALE 4.8%

Our Citra Pale Ale is brewed with the finest German and Belgian malts, fermented with a super clean American ale yeast and dry hopped to the gills with Citra. The resulting beer should be enjoyed as fresh as possible to appreciate the grapefruit and pine aroma and super clean finish.
